SUPPLEMENTAL DISCLOSURE STATEMENT UNDER 37 CFR 1.56

SIR:

The undersigned attorney discovered that the prior filed Disclosure Statement on May 4, 2005 was filed without his signature. This and the prior paper is to bring to the attention of the PTO the following copending U.S. applications, all of which are related in different respects to organic electronic devices and/or method of making such devices such as transistors, diodes, integrated circuits and the like. These applications also are generally related to the various applications noted in applicants' Disclosure Statement filed on January 7, 2005. Many of these applications also have one or more common inventors. The enclosed PTO 1449 lists these applications as well as the applications associated with the Disclosure Statement filed January 7, 2005. It is

respectfully requested that the Examiner consider and make of record all of the cited applications listed in the enclosed PT 1449.
